VIOLENT INTRUDER TRAINING

WHAT IS VIOLENT INTRUDER TRAINING?

A 1.5 - 3 hour* in-person training course to best equip your employees on how to respond in the presence of an active shooter/violent intruder at their workplace.

This in-person course, is split up into two sections:

Section 1, Classroom Portion: where we learn Run, Hide, Fight methodology and prevention per curriculum based on the US Homeland Security & FBI recommendations.

Section 2, Drill Portion: we lead your team in active and observational drills at their own workplace, so they may put their new knowledge to the test and practice emergency procedure in high-energy simulations.
